

At a recent meeting of the Essex County USBC BA Board of Directors some questions were raised about the “Bowler of the Year” award given annually by the Association. After several issues were raised there was a lengthy discussion and after that discussion there was a consensus that there was a need to reconsider the criteria for the award in light of the issues raised. Accordingly, there was a motion made and seconded to create a committee to review and re-establish the criteria for the award in the future. In light of that decision the Board felt it would be unfair to name a bowler of the year for 2008-2009, so the awarding of the award this year has been tabled. After the committee meets and decides the future of the award, the results will be communicated to the bowlers. The Essex County USBC BA is a body serving ALL bowlers of Essex County and we are striving to make the awarding of the “Bowler of the Year” award consistent with that mandate.
